How to remove watermark in sketchup?

Description

After several searches on the internet on a question like How to remove watermark in sketchup?, I could see the lack of information on CAD software and especially of answers on how to use for example Sketchup. Our site CAD-Elearning.com was created to satisfy your curiosity and give good answers thanks to its various Sketchup tutorials and offered free.
Engineers in the fields of technical drawing use Sketchup software to create a coherent design. All engineers must be able to meet changing design requirements with the suite of tools.
This CAD software is constantly modifying its solutions to include new features and enhancements for better performance, more efficient processes.
And here is the answer to your How to remove watermark in sketchup? question, read on.
