

Where are autocad shape files located?

Description

Where are autocad shape files located? – The answer is in this article! Finding the right AutoCAD tutorials and even more, for free, is not easy on the internet, that’s why our CAD-Elearning.com site was created to offer you the best answers to your questions about AutoCAD software.

Millions of engineers and designers in tens of thousands of companies use AutoCAD. It is one of the most widely used design and engineering programs. It is used by many different professions and companies around the world because of its wide range of features and excellent functionality. And here is the answer to your Where are autocad shape files located? question, read on.

Introduction

However, the standard location for SHX fonts is in the **AutoCAD** Fonts folder, **located** in C:\Program Files\Autodesk\AutoCAD 20xx\Fonts.

Subsequently, how do I view shape files in **AutoCAD**? Click on the ‘Command’ bar at the bottom of the window, type ‘**Shape**’, then press ‘Enter’. Enter the name of the shape used in the original shapefile, and press ‘Enter’. AutoCAD will import the compiled SHX file.

Additionally, how do I get back missing SHX file dialog in AutoCAD? Type FONTALT at the command line and enter a period (.) to set the value of FONTALT to None. This will make the dialog appear again.

Furthermore, what are SHX files in AutoCAD? An SHX file is the compiled machine code version of an SHP ASCII-based **shape** entities file, which means that programs can process SHX **files** much more quickly. All of the vector based fonts in AutoCAD, for example, are SHX files. So, SHX files can be fonts or shape files.

Also the question is, how do I install SHX **files** in AutoCAD? Go to ‘C:\Program Files\Autodesk **AutoCAD** 201X\Fonts’ folder where X represents the version number of AutoCAD and copy paste the SHX font file. You will need administrator privileges for copying this font. Once the fonts are copied restart the **AutoCAD** session and you will have your SHX font in the list of AutoCAD fonts.
